This product can be sold face to face, via telephone or electronic communication or a mix of these methods, as long as customers are provided with sufficient information to make an informed decision regarding the suitability of the product.

Commission & Fees

The coverholder is expected to ensure that maximum commission rates do not exceed those stipulated within the Binding Authority Agreement.

Brokers can select commission rates from a range set by the coverholder, so that remuneration can be aligned to their own distribution costs. The maximum commission rate set cannot be exceeded.

The coverholder is expected to maintain oversight of all broker commissions and, where there may be a risk to product value and remedial action taken whenever necessary including notification to Tokio Marine Kiln.

Brokers are reminded of their own regulatory obligations in relation to remuneration under PROD 4.3.6 as well as the requirements to make all necessary disclosures to the customer.

How value is assessed

Value is assessed based on a number of metrics, including underwriting, claims and complaints information as well as through broker and coverholder engagement.

Remuneration paid as set out in our agreements with distributors has been considered as part of the value assessment.

If additional add-ons (including premium finance) are sold alongside this product or additional remuneration is charged, this may affect the value for the customer.

Further information on our product approval processes can be obtained on request.
